Dear CDC Members:

It's that time again, time for the CDC Specialty Show. By now the entries have closed, and I hope all of you that wanted to enter, did. It should prove to be a great show: continental breakfast, great tasting lunch, a raffle with something for everyone, another raffle that will benefit the Rabies Challenge Fund (please be generous and support this effort) wonderful judges and interesting trophies. There will also be a few vendors, if you are looking for something Dalmatiany. If you aren't entered, and have a few free hours, why not come over and see what's going on? We're always glad to see you.

Like I said, we'd love to see you at the show, so....see you there!

Gail Meyers,
President

The club with the highest weight circle poundage will receive 50% of the proceeds of their collection. The balance of the proceeds will go to DCAF to help support DCAF's activities.

TRICK OR TREAT!

Halloween is fast approaching. In addition to the usual warnings about keeping chocolate away from your dog, and making sure he doesn't slip out the front door when the trick or treaters come, there is a darker one.

Do you have a black dog or cat? A veterinarian I know cautions clients to keep black cats indoors and not leave black dogs unattended outdoors (or alone in your car) during the week before Halloween to a few days afterward. It may be a good idea to keep a close eye on pets of any color during this time. While it's unlikely that your pet will be stolen and harmed during this time, it's better to be safe than sorry.

On a more positive note...why not:

- Practice sit or down stays (in another room) while someone else hands out candy to the trick or treaters
- Make a cute costume for your dog and visit a nursing home
- Have a daytime Halloween party for your human and canine friends (dogs in costume)
- Attend one of the "Howl-oween" events sponsored by shelters or local dog-related businesses

Hope to see everyone at our 49th Annual Fall Specialty!

Until next month ... Happy tails to you!
JodyLynn
